

How can I explain the elements of global trade?

End of Enquiry Learning:

- ✓ I can use evidence to support my argument and form my own opinions
- ✓ I can use increasingly complex geographical language to evidence my thinking.
- ✓ I can create an explanation text using evidence, including how land is used and the depletion of natural resources.
- ✓ I know where natural resources are found across the world and that they are distributed unevenly.
- ✓ I know what a biome and a vegetation belt is.
- ✓ I know the major crop producers of the world.
- ✓ I know how resources are traded.

Geography Learning Organiser Year 6

Vocabulary

Trade	The action of buying and selling goods and services.
Import	Bring (goods or services) into a country from abroad for sale.
Export	Send (goods or services) to another country for sale.
Global	Relating to the whole world; worldwide.
Industry	Economic activity concerned with the processing of raw materials and manufacture of goods in factories.
Climate	The weather conditions prevailing in an area in general or over a long period.
Population	All the inhabitants of a particular place; how many people live there.
Fairtrade	Trade between companies in developed countries and producers in developing countries in which fair prices are paid to the producers.
