

### Achieving and Flourishing Together in God's Loving Arms

A massive well done to our children who attended the Bude residential who demonstrated great behaviour all week. They learnt many new water-based skills. A fabulous time had by all the children, Mrs Smith and Mrs White.

#### R.N.L.I. VISIT

On Friday 10th May our pupils were lucky enough to have a visit from the RNLI who offered a 'Meet the Life Guard' session where we were informed about how to

stay safe at the beach.

The children learnt about where it was safe to swim, what they should do if they get into or see someone else in trouble in the water.

It was a really informative and useful lesson. The children were all brilliantly behaved and a real credit to Galmpton C of E Primary School!

We are currently planning a **brand new After School Club** to run from 3.15 to 5.30pm (in the first instance) from Monday to Friday. We are incredibly grateful to **Smartiezone** for the contribution they have made over the last couple of years and thank them for the work they have done. However, we now feel ready to run our own club.

Over the next few weeks we will be sending out more information and asking parents to sign up for sessions from September.

There will be a range of fun play-based activities, including: Physical Activity (e.g. organised ball games, use of play equipment, skipping ropes etc), arts and crafts, team games / board games / computer games, quiet reading etc and each Friday is Friday Film night - age appropriate ('U') films. (There will also be the opportunity to complete home-work tasks!)

A range of snacks will be available for children attending the club. Healthy eating guidelines will be followed and includes wraps or sandwiches with cheese or meat, pasta & sauce, noodles, scones, crackers, vegetables and fruit. Two adults will run the club and we will take a maximum of 20 children. We are currently making arrangements to appoint after school club leaders.

**Cost:** The cost will be £8:50 per child per session. This is a standard charge per session irrelevant of time of pick up (between the end of school and 5.30pm). If your child attends another after school club, we can pick them up when this is finished. However, full payment for the session will still be required. We are more than happy to answer any queries you have by either popping into the school office or by contacting team leaders or Mrs Burns. If you are interested in helping to run the club, please contact Mrs Burns.

#### Attendance Data for the period 5/9/18 – 14/6/19

Whole School	95.01
Year Group	% Attendance
Reception	94.59
1	95.22
2	95.47
3	96.21
4	95.00
5	93.16
6	95.63

**WELL DONE to Y3 who have consistently maintained the highest attendance figure since September. Excellent work!**

Although we were sad to say goodbye to **Reverend Ian**, we had a really celebratory and uplifting Service before half term. The children sang his favourite hymns, gave readings about 'Thankfulness' and read some lovely memories and poems. Thank you to those parents who raised £33 towards Ian's leaving gift. A massive thank you FROGs and the rest of the school Community for their very generous contribution. Mrs Burns.

With the weather getting warmer, could we please ask that you apply sun cream to your child/ren in the morning before school and also provide them with a hat and sun cream in their bag so they can re-apply at lunch time if need be.

The wonderful Y6 children who didn't go to Bude, did some work on how to serve our community.

During the week we took a trip down to Galmpton Creek to do litter picking, painted the school train and finally they enjoyed a round of golf at Cayman Golf (many thanks to Dan Leins at Cayman Golf). At the end of the week they held a Worship on "how to help our community".

Well done year 6.

### Galmpton Open Gardens

We had a great time during the open gardens day and there was lots of interest in our school garden.

Thank you to Carol, Dave, Bev Finch and Suzy Slattery who have worked so hard on our garden.

Preston Rotary Club very kindly donated £250 to school to buy books for our Library and KS1 book schemes.

Peter Bosley and Yvonne Childs visited the school and presented us with a cheque. The money has already been spent and the new Phonics books for KS1 and the library are already in use.

If anybody has, or knows of anyone who has a picnic table / bench which they no longer require and would like to donate to our school, we would love to receive one. Please contact the school office.

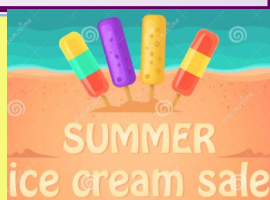

### Cake Sale Totals

A big thank you to all who have generously donated and helped with the cake sales this year. This has raised a significant amount for our classes and Thrive/Pastoral teams.

### Lolly Friday!

FROGs will be selling lollies every Friday after school this term (weather permitting!)

### WE ARE A "NUT AWARE" SCHOOL

Due to a number of children who suffer severe nut allergies, we are highlighting and asking staff, pupils and parents for their help in minimising the risk to these children ....

Please avoid giving your child/ren nuts or nut products in their packed lunches.

Avoid giving nuts or nut products or snacks / bars containing nuts, for break time snacks.

Avoid supplying the school or FROGs (school PTA) with cakes or food items containing nuts for birthday celebrations / cake sales or events.

Avoid sending containers, such as cereal boxes, for art lessons into school which may have contained produce made with nuts

We do acknowledge that many foods are labelled as "may have been produced in a factory handling nuts and cannot be guaranteed to be nut free". Such items will be allowed in school as it would be unreasonable to expect these to be kept out of school.

### UNIFORM POLICY

#### Winter

##### **Girls and Boys:**

Grey skirt, A – line skirt / grey trousers (No turn– ups on trousers).

Light blue polo shirt not 'T' shirt.
