

What changes can we see throughout the year?

Developing my Character

Flourishing

Seek a purpose for life; take responsibility for my own well-being and support others with theirs

Courage

I know what it is to be brave and show this by trying new things

Being a Scientist

I understand we can use our senses to investigate

Investigation

I understand that plants and animals are alive

Living Things

Our World

I understand that I can find similarities and differences in the world

Developing as a Learner

Creativity

I can use a thinking tool to organise my thinking.

Outcome - To create a weather station
